

WATER SAFETY RESOURCE DIRECTORY · ALL YEAR LEVELS

WATER SAFETY

Resource Directory

All organisations, websites, and resources referenced across the full teaching suite.
Year 7–8 and Year 9–10 · Victorian Curriculum F–10 Version 2.0

28 organisations covered
7 categories
URLs, roles, and curriculum relevance for each

About This Directory

This directory lists every organisation, website, and resource referenced across the Swim & Water Safety teaching resource suite — for Year 7–8 and Year 9–10. URLs were verified in May 2026. Always check the current version of each website as content may change.

About This Directory

This directory lists every organisation, website, and resource referenced across the Swim & Water Safety teaching resource suite — for Year 7–8 and Year 9–10. URLs were verified in May 2026.

1 Victorian Curriculum & Government

Victorian Curriculum and Assessment Authority (VCAA)

Curriculum Authority · Victorian Government

VCAA develops the Victorian Curriculum F–10 and all HPE content descriptions aligned to this suite. The HPE strand provides VCHPEP (Personal, Social & Community Health) and VCHPEM (Movement & Physical Activity) codes. Students and teachers can view all content descriptions, achievement standards, and elaborations free on the VCAA website.

Victorian Curriculum F–10 · HPE strand · VCHPEP125–VCHPEM162

<https://victoriancurriculum.vcaa.vic.edu.au/health-and-physical-education/curriculum/f-10>

Department of Education Victoria (DE)

Victorian Government · School Policy · Swimming & Water Safety

The DE publishes mandatory policy for Victorian government schools including the Swimming Instruction and Water Safety Education Policy, and the Excursions Policy. Both directly govern how pool practicals, swimming carnivals, and water-based excursions must be managed. The Excursion Risk Management Template in this suite is aligned to DE policy requirements.

Swimming instruction policy · Excursion policy · Supervision ratios

<https://www2.education.vic.gov.au/pal/swimming-instruction-and-water-safety-education/policy>

Consumer Affairs Victoria

Victorian Government · Pool Fencing Legislation · Consumer Protection

Administers Victorian residential swimming pool and spa fencing legislation. Four-sided isolation fencing is mandated for all new residential pools — the strongest evidence-based intervention for child drowning prevention (~83% reduction).

Referenced in Year 9–10 Extension Workbook Q3.2 (policy critique activity) and prevention strategy evaluation content.

Pool fencing legislation · Home pool safety · Year 9–10 Extension Q3.2

<https://www.consumer.vic.gov.au/housing/swimming-pools-and-spas/fencing>

Parks Victoria

Victorian Government · Open Water Safety · Natural Environment

Manages Victoria's national parks, waterways, and open spaces. Parks Victoria provides waterway safety information, river hazard data, and natural environment risk context used in the inland waterway content across Year 7–8 and Year 9–10 resources.

Inland waterways · River safety · Open water hazards

<https://www.parks.vic.gov.au>

2 Water Safety Organisations — Australian

**Life Saving Victoria (LSV)**

Peak Water Safety Body · Victoria · Annual Drowning Reports

Peak water safety body for Victoria. Publishes the annual Victorian Drowning Report — the primary data source for all Victorian drowning statistics in this suite (54 deaths 2023–24, CALD data, location analysis). Operates the SwimSafe education program, manages lifeguard services at Victorian beaches and pools, and provides the Classroom Toolkit for school teachers.

Victorian Drowning Report · SwimSafe program · Classroom Toolkit · Lifeguard services
<https://lsv.com.au> | <https://lsv.com.au/research/victorian-drowning-reports/>

**Royal Life Saving Society Australia (RLSSA)**

National Drowning Prevention · Swim and Survive · National Data

Australia's peak drowning prevention organisation. Publishes the National Drowning Report providing Australia-wide statistics (national rate ~1.2 per 100,000). Operates the Swim and Survive program and provides the RLSSA Water Safety Framework. A primary data source for the "Throw, Don't Go" principle and national comparison figures used in Year 9–10 content.

National Drowning Report · Swim and Survive · Throw Don't Go
<https://www.royallifesaving.com.au> | <https://www.royallifesaving.com.au/research>

**Surf Life Saving Australia (SLSA)**

Coastal Water Safety · Beach Patrol · BeachSafe App

Peak coastal water safety organisation, coordinating the volunteer lifesaver network at Australian beaches. Operates the BeachSafe app/website (beachsafe.org.au) — an essential student tool used throughout this suite. SLSA produces beach safety statistics, patrol data, and public education campaigns. Surf Life Saving Victoria (SLSV) is the Victorian branch.

BeachSafe app · Volunteer lifesaver network · Beach patrol statistics
<https://sls.com.au> | <https://beachsafe.org.au>

**AUSTSWIM**

Professional Development · Teacher Qualifications · Swimming Education

Australia's national peak body for swimming and water safety teaching. Provides nationally recognised qualifications including the Teacher of Swimming and Water Safety (TSWS) — directly supporting delivery of VCHPEM146 and VCHPEM162. Referenced in Teacher Professional Learning Notes as the primary qualifications pathway for HPE teachers seeking specialist aquatic competency.

TSWS qualification · Teacher PL pathway · VCHPEM146 · VCHPEM162
<https://www.austswim.com.au>

**Paddle Australia**

Paddling Sports Safety · Waterway Guidelines · River Grading

National body for paddling sports in Australia (kayaking, canoeing, rafting). Provides waterway safety guidelines, river grading systems, and safety standards for recreational paddling. Referenced in inland waterway safety content and the Excursion Risk Management Template.

River safety guidelines · Waterway grading · Excursion risk management
<https://paddle.org.au>

3 First Aid & Emergency Response**St John Ambulance Australia / St John Ambulance Victoria**

First Aid Training · DRS ABCD Guidelines · CPR Instruction

Australia's leading provider of first aid training, products, and services. Provides the DRS ABCD guidelines used throughout this suite and offers community first aid courses. The Victorian arm (SJA Vic) provides first aid training to schools and operates at public events. Teacher first aid currency requirements (HLTAID011) referenced in Teacher Professional Learning Notes.

DRS ABCD guidelines · HLTAID011 certification · School first aid courses
<https://www.stjohnvic.com.au> | <https://stjohnvic.com.au/first-aid-courses/>

**Australian Resuscitation Council (ARC)**

CPR Clinical Guidelines · Resuscitation Evidence · Primary Source

Australia's peak body for evidence-based resuscitation guidelines. The ARC guidelines underpin the CPR content taught throughout this suite — compression rate (100–120 bpm), depth (5–6cm), ratio (30:2), and the 4-minute CPR window rationale. Referenced as a primary source in Year 9–10 Extension Workbook Q2.2 and Teacher Professional Learning Notes.

[CPR clinical guidelines](#) · [Bystander CPR evidence](#) · [Year 9–10 Extension Q2.2](#)
<https://www.resus.org.au/guidelines>

**Heart Foundation Australia**

Cardiac Health · CPR Education · Cardiac Output Physiology

Funds cardiac research and provides public education on CPR and heart health. Cardiac physiology content in this suite — particularly the Year 9–10 physiology sections explaining cardiac output (~5 L/min at rest), CPR effectiveness (~25–30% of normal output), and heart function — is informed by Heart Foundation evidence. Community CPR campaigns complement the water safety CPR content.

[Cardiac output explanation](#) · [CPR physiology](#) · [Year 9–10 physiology section](#)
<https://www.heartfoundation.org.au>

4 International Organisations**World Health Organization (WHO)**

Global Health · Drowning Statistics · Social Determinants Framework

International public health agency of the United Nations. Publishes global drowning statistics (~320,000 deaths annually; 90% in low/middle-income countries) and the Social Determinants of Health framework. Primary source for global comparison data in Year 9–10 unit.

[~320,000 global deaths/year](#) · [Social determinants framework](#) · [90% low/middle-income countries](#)
<https://www.who.int/news-room/fact-sheets/detail/drowning>

**Royal Life Saving Society UK (RLSS UK)**

UK Water Safety · Float to Live Campaign · International Comparison

UK's national water safety charity. Developed the influential "Float to Live" campaign — teaching floating as the PRIMARY response to water emergency. Referenced in Year 9–10 resources for international comparison of prevention approaches.

["Float to Live" campaign](#) · [UK water safety approach](#) · [International comparison](#)
<https://www.rlss.org.uk/education> | <https://www.rlss.org.uk/float-to-live>

**American Red Cross — Water Safety Education**

USA Water Safety · International Comparison · Community Programs

Provides water safety education programs and resources in the United States. Referenced in Year 9–10 resources for international comparison of water safety approaches. Note: the American Red Cross is separate from Australian Red Cross — contact the relevant organisation for permissions in your jurisdiction.

[US water safety programs](#) · [International comparison](#) · [Year 9–10 WebQuest](#)
<https://www.redcross.org/take-a-class/water-safety>

**Centers for Disease Control and Prevention (CDC) — USA**

US Public Health · Drowning Prevention Statistics · International Data

US federal public health agency. Publishes US drowning statistics and evidence-based prevention guidelines used for international comparison in the Year 9–10 unit. Most CDC content is in the public domain as a US federal government work.

[US drowning statistics](#) · [Public domain data](#) · [International comparison](#)
<https://www.cdc.gov/drowning/prevention>

**World Bank — Open Data**

Country Income Classifications · International Statistics · CC BY 4.0

World Bank Open Data provides country income classifications (High / Upper-middle / Lower-middle / Low income) used in Year 9–10 Extension Workbook Q1.3 (international statistical comparison). Students classify comparison countries to contextualise drowning rate differences — recognising that 90% of global drowning deaths occur in low/middle-income countries. Licensed CC BY 4.0.

Country income classification · International comparison · Year 9–10 Extension Q1.3
<https://data.worldbank.org>

5 First Nations & Cultural Organisations**AIATSIS — Australian Institute of Aboriginal and Torres Strait Islander Studies**

First Nations · Cultural Knowledge · Map of Indigenous Australia

Australia's only national institution focused on Aboriginal and Torres Strait Islander cultures, histories, and languages. The AIATSIS Map of Indigenous Australia helps teachers identify Traditional Custodians of local waterways — used in the Acknowledgement of Country & Cultural Considerations resource. Most AIATSIS website content is licensed CC BY 4.0.

Map of Indigenous Australia · Cultural considerations resource · Cross-curriculum priority
<https://aiatsis.gov.au/explore/map-indigenous-australia>

**Reconciliation Australia**

Reconciliation · Schools Resources · Narragunnawali Platform

Australia's leading reconciliation organisation, providing resources and guidance for schools on meaningful reconciliation with Aboriginal and Torres Strait Islander peoples. Referenced in Cultural Considerations resource and Teacher Professional Learning Notes as a professional learning pathway for culturally responsive water safety education.

Schools resources · Narragunnawali platform · Cultural competency PL
<https://www.reconciliation.org.au/schools/>

6 Curriculum, Accessibility & Digital Standards**World Wide Web Consortium (W3C) / Web Accessibility Initiative (WAI)**

Web Accessibility · WCAG 2.2 · Digital Standards

Publishes the Web Content Accessibility Guidelines (WCAG) — the international standard for web accessibility. WCAG 2.2 has been applied across all HTML resources in this suite, covering contrast ratios, keyboard navigation, focus visibility, language attributes, and landmark elements.

WCAG 2.2 · Accessibility compliance · All HTML resources
<https://www.w3.org/TR/WCAG22/>

**Australian Curriculum, Assessment and Reporting Authority (ACARA)**

Federal Curriculum Body · Australian Curriculum · National Framework

Federal body responsible for the Australian Curriculum. Victoria uses the Victorian Curriculum F–10 (VCAA), which is informed by but distinct from the national curriculum. Referenced for context when comparing state/national approaches.

Australian Curriculum · National framework · Curriculum context
<https://www.acara.edu.au>

7 Typography & Digital Assets

Google Fonts

Typography · SIL Open Font Licence · Free Web Fonts

Typefaces used across all HTML resources: Poppins (Indian Type Foundry), DM Sans and DM Mono (Colophon Foundry), Nunito (Vernon Adams), Fraunces (Undercase Type). All served via Google Fonts and licensed under the SIL Open Font Licence 1.1 — free for any use, commercial or non-commercial, with no attribution required in end-user documents.
